5. FIVE AND DIME WARRIOR

SEMI-SWEET VIRGINIA MEAD- YEAR ROUND 12% ABV \$86 / 16B

The go-to in an introduction to mead. We ferment Virginia Finest honey, water and yeast, then age it for 3 months to smooth it out. It's really a lot more complicated than this, but the finished product is a smooth light bodied semi sweet traditional mead. From the first timer to the old pro meader, this is as simple as it comes.

6. GO-SIP (BLACKBERRY) 12% ABV \$96 / 18B

Blackberry and Blackbeard go hand in hand. Now belly up to the bar and get some blackberry mead, but don't guzzle too much or you might gossip. Mind your P's and Q's and drink some Go-Sip. Ingredients: Blackberries and honey

7. LIQUID SILK VANILLA MEAD 12% ABV \$96 / 18B

Vanilla is the perfect partner for all things sweet. Vanilla mead is a silky, lush mead. It is a velvety mead as smooth as German Chocolate melting in your mouth. **The taste of vanilla mead is delicate, exotic and creamy.**

8. MIDNIGHT ELIXIR (BLACKBERRY + CHERRY) 12% ABV \$96 / 18B

Midnight Elixir is a dark, decadent berry blend from juicy blackberries and cherries.

9. FOUR FAIRIES MEAD 12% ABV 96 / 18B

Four Fairies is not just for your typical fairy. It has a smooth, perfect tart taste with a mixture of Black Currants, Cherries, Red Raspberries, and Blackberries. (Almost Sold out)

10. BLUE DEVIL (BLUEBERRY MEAD) 12% ABV \$96 / 18B

The taste of Blueberry is smooth up front, then the Oak hits you on the backend. It's a nice compliment that lets you have the Virginia Blueberries and honey with the Devil's touch at the end.

Mead (honey wine) dates back to biblical times and was very popular in early England. In fact, the term "honeymoon" relates to the early English custom of newlyweds drinking mead for the first month of their marriage. This honey mead is best served at room temperature or slightly chilled. Mead is Fermented honey.

11. APPLE OF MY EYE CYSER- ALL YEAR 12% ABV \$8 GLASS/8B

Virginia APPLES, APPLES, APPLES

This mead is made with apple cider and lots of APPLES. The finished product is a smooth sweet taste of you guessed it... APPLES. For a new twist on an old recipe, we add a few cinnamon sticks to take it over the top. It's almost like drinking an apple pie with 12% ABV.

12. DUSTY ORCHARD (DRY VIRGINIA APPLE MEAD) 12% ABV \$8 GLASS/8B

Yes I'm making a slightly dry apple mead, because I'm told that not everyone likes sweet or semi sweet mead. My response was "WHY?" So for the small percentage of you that just love dry, this is the best I can do. Enjoy.

13. DRAGON HEART (CHERRY MEAD) 12% ABV \$8 GLASS/8B
